To NBOC

This is the eighth installment of a series of emails on the [newbridgeresidents.org](http://newbridgeresidents.org) website.

On the homepage, in the middle of the links on the right-hand side, you'll find a new link entitled "**Help files for this website**". This brings up a page with links to all of the emails in this series. You can print them if you'd like, but they will always be available on the homepage.

The topic of the day is "**Club/Committees**." Clicking on that link opens a long list of menu items covering every club, committee, or entity (for example, the website) at NewBridge. Here is where I need your help--specifically, if you are the lead person for a NewBridge resident-led activity. The web pages under Clubs/Committees slowly become obsolete. If you are the proper person for an activity, please check the page for that activity and provide me with any changes that need to be made. Without further comment, here is the current list of clubs, committees, etc. (See next page.)

## ▾ **Clubs/Committees**

- **Decorating Committee**
- **Environmental Stewardship**

### **Committee**

- **Finance Committee**
- **Food**
- **Gardening**
- **Hadassah at NewBridge**
