Scholarship Fund Committee

In 2019 Independent Living residents of New Bridge established a resident-managed Scholarship Fund to support educational opportunities for qualified hourly NewBridge independent and assisted living employees.

Our purpose, as stated on the logo, is to **build community through education**.

The Committee functions with members who review applications, mentor applicants, engage in fund raising activities and publicize those activities.

In 2020, \$54,000 was awarded to 10 recipients. In 2021, \$100,000 was raised and allocated to 17 NewBridge Scholars. The Award Ceremonies are available for viewing in our NewBridge video library. In 2022, \$150,000 was raised to support 22 recipients. Each year awards are given based on the amount of money that has been raised.

The Fund also sponsors an annual (non-tax deductible) "Dent the Rent" Raffle event.

All other Scholarship Fund donations are tax deductible. Residents can designate their contributions in honor or in memory of someone, or to acknowledge a significant event.

Checks should be written to NewBridge on the Charles with Scholarship Fund on the memo line. Please send checks to Len Green, Apartment 4317

Residents may also contribute through the purchase of donation cards to acknowledge special occasions, get well wishes or sympathy to friends or relatives. They feature artwork by NBOC residents and are \$10 each. To purchase cards please call Marlene Yesley at 4.2284 or Terri Union at 4.2445.
